

Planning colekillian.com

What should be on the front page?

Little bit of info about myself, and links to other websites, and links to other parts of my site

Stuff I want to include:

- Youtube
- Linkedin
- Email
- Github
- Resume
- Blog
- Course Notes
- List of course work

Sectioning stuff I want to include

- Footer follow me: Youtube, Linkedin, Email, Github
- Personal: Resume, course work, course notes, trivia
- blog

Maybe later:

podcast, gym stuff, donation stuff, website map
